Go Transition!

The final step in the transition process is here! Agencies/ Organizations will begin processing transactions under GSA SmartPay 3 on November 30, 2018. This means that your current GSA SmartPay Fleet Account may no longer be used after November 29, 2018.

Prior to November 29, 2018, all account holders will need to:

- Follow agency policy for disposal of the GSA SmartPay 2 fleet card
- Cancel all recurring charges
- Adhere to the agencies'/ organizations' record retention policies
- Apply for a new GSA SmartPay 3 fleet account
- Activate your new account
- Complete all required training
- Reconcile all transactions

Take hold of new payment opportunities:

- Telematics
- Mobile Payments
- Innovative Apps

New! Telematics is a fleet vehicle tracking technology using GPS to identify misuse, track drivers and vehicles, and find the lowest gas prices based on GPS location.
