Who is UNICOR

- Wholly owned Federal government Corporation
- Established 1934
- Mission is to protect society and reduce crime by preparing inmates for successful reentry through job training.

Provides federal offenders opportunities to develop the work and life skills needed to transition back to our communities as contributing members of society.
UNICOR’s Positive Impact

While in Prison:
- Contributing to family (child support)
- Victim Restitution
- Job Skills

Out of Prison:
- 24% less likely to recidivate
- 14% more likely to obtain a job within one year after release

`YOUR ROLES IN PROCURING GREEN
SOME CHALLENGES WE ALL FACE
SEPARATING FACT FROM FICTION….OVERCOMING THIS THING KNOWN AS “GREENWASHING”
AND THE ADDED VALUE UNICOR BRINGS TO THE EQUATION

I’LL ALSO SHARE HOW WE MAY MUTUALLY BENEFIT FROM EACH OTHER, WHILE MEETING YOUR GREEN OVERSIGHT AND PROCUREMENT RESPONSIBILITIES,`
AND HOW MEETING THESE REQUIREMENTS THROUGH THE UNICOR PROGRAM, HAS AN EVEN MORE PROFOUND IMPACT ON RE-PURPOSING LIVES AND RESTORING BALANCE… PARTICULARLY IN OUR UNDERSERVED COMMUNITIES.
UNICOR “Green”

• The raw materials we procure
• Our factory operations and processes
• Packaging and shipment of orders
• Publications and materials we create
• “Recycled” Lives
Is GREEN really a big deal?

YES! In Simple Terms…

**REDUCE:** Consume more/ discard less
**REUSE:** Repair, rebuild, resell, donate
**RECYCLE:** From waste to useable resource
**REFUSE:** Avoid buying anything destined to become waste

Federal Government spends $200+ Billion annually on goods/services
LET’s FACE IT…
YOU HAVE SOME HEAVY RESPONSIBILITIES TO BEAR WITHOUT THE ADDED BURDEN OF OVERSEEING GREEN PURCHASING INITIATIVES, RIGHT?

AS PURCHASE CARD MANAGERS and OFFICIALS, PROCUREMENT UNDER YOUR WATCH MUST ABSOLUTELY BE ACCOMPLISHED ETHICALLY/RESPONSIBLY
Green Government Procurement

- Products and services currently required to be purchased GREEN by the Federal Government;

- Office Furniture
- Awards, Plaques, Signage
- Rebuilt Vehicle Parts
- Paper and Paper Products
- Park Benches and Recreation Tables
- Bedding, Bed Linens, Towels
GREEN Challenges

- Budget tightening impacts agency efforts to meet green government mandates
- Limited resources and expertise to make the right choices
- Proliferation of new laws/standards
The Green Suppliers Network

- Helps manufacturers and supply chains nationwide enhance competitiveness, reduce costs, and improve green performance.

The E3: Economy, Energy and Environment Program is a federal technical assistance framework helping communities, manufacturers and manufacturing supply chains adapt and thrive in today's green economy. EPA and five other federal agencies have pooled their resources to support small and medium-sized manufacturers with customized assessments. E3 is helping communities across the country reduce pollution and energy use while increasing profits and creating new job opportunities.
