- Green Recycled** - Green/Recycled Green/Recycled/Recyclable items.
- Competitive** - Competitive items listed as "Competitive" on FPI's Schedule of Products reflect those items that have been approved for production by FPI's Board of Directors and added to the Schedule, under the proviso that FPI will compete to obtain the business, just as any other private sector offeror.
- Mandatory** - Mandatory Federal customers are required to give production priority to FPI, when UNICOR is able to provide the desired product, within the required time frame, and at a competitive price.
- Services** - Services. All services offered by FPI have always been considered as nonmandatory. As such, customers may purchase services from FPI directly, whenever they determine FPI's service offerings are able to meet their needs.
- Non mandatory** - Non-mandatory. The mandatory source for this product has been administratively waived by FPI's Board of Directors. In accordance with the Board's resolution, customers who rely upon FPI to meet their product needs for these items may continue to purchase those items from FPI directly, at their own volition. Alternatively, should the customer determine that it is in their best interests to procure the item through other means, the customer is not required to procure a waiver from FPI. For those items where FPI's mandatory source has been administratively waived, FPI must give full visibility of the requirement (i.e., provided the same information and specifications as are provided to all private sector offerors) and a fair and equitable opportunity to submit a competitive offer.

We're still dangling.
